Re: Wilson v. Cuomo, et al.  
Civil Action No. CV-21-4815  
(Brown, G.R.) (Shields, M.J.)

Dear Judge Brown

This letter is to inform you of the Riverhead Defendants last action and to question the time that it has taken this court to provide me with the Default Judgements I am entitled. The action of all of these defendant lead to may business being shout down and a complete loss of value. Under the valuation method supplied by Janus Investments the company is worth \$2,849,000,000 and with 4% compounded interest over the last four years the damages done to me \$3,332,927,037.44. Here are the statutes and action that are clearly Unconstitutional and lead to these damages.

1. The State of New York's Lien Article 3-A, Section 71.a4(a), lay out this statute starting on page 8 of my original compliant, Says that if a contract gets a payment from the consumer they must deposit it in an account and let the consumer know where the account is. If the contractor does not do so they can be charged with thief and prosecuted by the criminal Justice System at the Public expenses. If the consumer receives materials and labor from the contractor and the consumer does not pay the contractor the contractor at their own expenses must sue the consumer at their own expense in civil court. Only a complete fool can not understand that this law is Unconstitutional and does not provide equal protection. As for Cuomo it was his responsibility as the Governor and the Chief

Robert Wilson  
77 Mastro Road  
Calverton, NY 11933

- Law Enforcement Official of New York States to ensure these violation did not accrue in not ensuring the States statues did not violate the Constitution. In this case the States Line Law violates 14<sup>th</sup> Amendments Equal Protection and state action clauses and the state action clause and Section 3 of Article 6 Oath Clause that binds Cuomo to the Constitution for which he has no defenses or excuses.
2. The Town of Southold and the Suffolk County DA office with assistance from the Riverhead Town Police, Suffolk County Sheriff Office and the US Marshalls Services arrested me for a compliant brought under The State of New York's Lien Article 3-A, Section 71.a4(a), after I informed the Southold Town Police Chief that it was Unconstitutional, and that the consumer owed me money. This violates the equal protection clause and the States Action clause of 14<sup>th</sup> Amendment and Section 3 of Article 6 Oath clause which binds them to the Constitution. They have no defenses for their action as being bound to the Constitution means they are personal responsible for ensuring their action are not violating anyone Constitutional Rights, which they did not.
  3. Suffolk County charged me with violating Suffolk County Code Chapter 563, Section 3.A. Yet Chapter 563-22 A states they have 30 days to rejected you or provide a temporary license, which they did not. Again, they violate the equal protection clause of the 14<sup>th</sup> Amendment and the States Action clause of 14<sup>th</sup> Amendment and Section 3 of Article 6 Oath clause which binds them to the Constitution. They have no defenses for their action as being bound to the Constitution means they are personal responsible for ensuring their action are not violating anyone Constitutional Rights, which they did not..
  4. This case was dismissed by the Suffolk 1<sup>st</sup> District Court on December 12, 2020. They also charged me with violation of the Suffolk County Code SCL 564 4 Failed to Register

Robert Wilson  
77 Mastro Road  
Calverton, NY 11933

with Licensed Professional Wall of Shame Registry Docket CR-036835-19SU. The case was sealed on June 17, 2021.

5. Suffolk County Department of Labor, Licensing & Consumer Affairs sent me a letter about and Administrative Hearing for September 19, 2018 @ 1pm order by James M. Andrews Administrative Director of Consumer Affairs. On December 10, 2018, I received a Notice of Decision of course upholding all their charges and signed by James M. Andrews Administrative Director of Consumer Affairs. This is as blatant of a violation of the 6<sup>th</sup> Amendment as there was nothing impartial about the jury. Again, they violated my 14<sup>th</sup> Amendment Rights to equal protection as well as the States Action Cluse and Section 3 of Article 6 Oath Clause that binds them to comply with the Constitution. This means they have no defenses to their action as they are responsible to ensure they are in compliance with the Constitution. I provided documentation to all of this in my response to the Riverhead Defendants Motion.
6. The New York States Dependents, The United States Government Defendants, The Suffolk County Defendants, and the Southold Town Defendants all defaulted. The two defendants that made an apparencies a minimum of 58 days after they defaulted have provided no good reason for their default. They have try to use precedence from Federal Courts and the Federal Rules of Civil Procedure as their reasoning beside the fact that both of these were created under Unconstitutional means, how is that an excuse for being almost 2 months late? It is not. The Federal Rules of Civil Procedure conflicts with the 7<sup>th</sup> Amendment as it tries to replace common law governing the civil proceeding when the 7<sup>th</sup> Amendment which it is forbidden from doing by Article 6 Section 2 which also binds Judges from deviating from the Constitution. The Judiciary Act of 1789 is also

Robert Wilson  
77 Mastro Road  
Calverton, NY 11933

Unconstitutional. Article 1 Section 8 Clause 15 clearly show that Congress has no authority to create law enforcement agencies. If Congress had any authority to create law enforcement agencies it would not stated that Congress had the power to call out the Military to execute the laws of the land. The fact that Congress must call forth the Military is expressly vesting law enforcement with the Military. That is so clear by that statement that a First Grader could comprehend such a fact. This means that the US Attorney, the US Marshalls, every other of crime fitting organization created by the Attorney General and all Federal Judges are illegal. This also means that any ruling by any Federal Judge is fraudulent meaning presidents are voided. So, the New York and United States Defendant have no right to be heard because they defaulted without good reason. Article 3 only gives Congress the right to create courts not staff them another sign that enforcement is vest in the Military.

7. This goes to more of the mind set of the Riverhead Town Justices system. I was in Landlord-Tent Court on April 27, 2022, at 2pm and the sitting Judge Lori Hulse was the same Judge that issue the Criminal Summons that had been thrown out 3 years before and had ruled against me on a contractors licenses case claiming there was no such thing as temper license. I as her to request herself she then claimed there was no such cases but did turn the case over to another Judge. This just shows more behavior by Riverhead that there is a major problem in the justices system.

Any reasonable person can see that Congress has no authority to create law effacement Agencies. All of the Defendants involved in this case are bound to the Constitution by Article 6 Section 2 &/or 3. Their violation of any constitutional rights has no defense it is clear to a 9-year-old they all violated my rights and cause me damage by cause my business to good out of

Robert Wilson  
77 Mastro Road  
Calverton, NY 11933

business. This case has been going on for 9 months and should not have taken 9 seconds. I expect this court to issue my default Judgement for the Southold, Suffolk Count, USA, and New York State Defendants by May 4, 2022, if not turn the case over to the Judge Advocate Generals office of the Air Force, Army, Navy, of Cost Guard as they are the only legitimate Federal Judges in this Country. I have attached documentation that backs all of my claims to this letter.

Sincerely

Subject: You Need To Get Your Cops in Line

Someone who claims they are one of your police officers called me claim to have a warrant for my arrested on Grand Larceny Charge. He would not give me his badge number or name or tell me what this so call charge was all about. Well, I got enough out of him to know it had to do with an unconstitutional case brough against me in Suffolk County Court in Islip that was dismissed. The harassment by your Cop and what ever judge they lied to is a Federal Crime. It is called double Jeopardy and is a violation of the United States Constitution. If this Clown James Hall that filed the case thinks he can us the judgement of the unconstitutional Labor Board Kangaroo Court that is also unconstitutional by both the 6th Amendment and US Supreme Court Case Named LUCIA ET AL v. SECURITIES AND EXCHANGE COMMISSION he and your officer are mistaken.

You see the whole statute that is used by the Labor Board for Professional Licensing is unconstitutional due to 2 facts 1. The director of the Licensing Area James Andrews decides that cases and since he is biased that is unconstitutional and 2. Just about ever provision of the statute has been struck down by the Supreme Court. In this case Mr. Hall violated provision of the contract by locking us out of the job and using an illegal process to try an settle a civil manor as I claim he owes me money and he must go to arbitration to settle the case. New York's attempted at claim you cannot have an arbitration clause in a service contract has been struck down some 70 times by the Court as unconstitutional and in direct conflict with Federal Law. I have told your cop that I am retire tired from the military and by law still under oath to defend the constitution from all enemies, foreign and domestic and will uphold my oath to the fullest extent of my ability.

I expect your internal affairs division to investigate this matter and that both the judge and the officer be disciplined for violating the US Constitution and the Constitutional Rights of a member of the United States Military or simple I will turn the case over to the US Attorney as I did with the Judge and DA in Central Islip.

Sincerely

Robert Wilson

Re: Wilson v. Cuomo, et al.  
Civil Action No. CV-21-4815  
(Brown, G.) (Shields, M.J.)

Dear Judge Brown

This letter is to inform you about the harassment by the Riverhead Town defendants. On March 9, 2022, I receive the attached letter from Riverhead Town Justice Court with a file number of 2018-CRI-277 claiming that an Accusatory Instrument charging me with Resisting Arrest and Dis/Con: Obscene Lang/Gestures. I have no idea what this is all about why a case with a file number dated four years ago if true would be brought up now that I have a pending case with the Departments Chief David Hegermiller and Town Supervisor/Police Commissioner Yvette Aguiar.

I want to the Police station on Friday March 11, 2022, requesting answers, as I see this as nothing more than harassment. I was given a very argent and curses remark by both a court worker and a Police officer. I then demanded an answer as I told them I a pending Federal Case against the Town and the Police Department, and it look to me lick a retaliatory action and another violation of my Constitutional rights in particular the 5<sup>th</sup> Amendment. The Police including David Hegermiller than assaulted me, held me in custody, and had the woman court worker file charges after telling me I was not under arrested.

These people are out of control and will not stop their cropped, unconstutonal, and criminal action until the court stops them. I request that you hold the Riverhead Town Defendants in contempt and use this action as evidence that Hegermiller and Aguiar were well aware of the previous action of the Town of Riverhead and participated in the crimes against me.

Sincerely

Robert Wilson, Plaintiff

Re: Wilson v. Cuomo, et al.  
Civil Action No. CV-21-4815  
(Brown, G.) (Shields, M.J.)

Dear Judge Brown

This is letter is to follow up on my letter of March 14, 2022, about the Riverhead Town defendants. On April 4, 2022, I receive another letter from Riverhead Town Justice Court with a new file number of 2022-CRI-99 now claiming an Accusatory Instrument charging me with Harassment 2<sup>nd</sup>: Physical Contact 20.26-01-PL. I have been informed that this is a case that was dismissed four years ago and that it is double jeopardy by clerical error, yet they still have the case on for arraignment for April 11, 2022 (copy of the letter attached). Again, the Town of Riverhead and its justices system see fits to violate my Constitutional Rights, this time the Fifth Amendment. This is clearly more harassment by the Town of Riverhead due to the pending case against the Town due to the action of Chief David Hegermiller and Town Supervisor/Police Commissioner Yvette Aguiar.

These people are out of control and will not stop violating my Constitutional rights. It is clear that they are using corrosion to deprive me of my right to life, liberty, and happiness. I request that you put an end to these crimes by the Riverhead Town Defendants and protect my Constitutional rights as I have for all of the People of the United States over the last 40+ years.

Sincerely

Robert Wilson, Plaintiff
